

Editorial

Acknowledgment to Reviewers of *Science for Energy and Environment* in 2024 and 2025

Science for Energy and Environment Editorial Office

Scilight Press, 447 Collins Street, Melbourne, VIC 3000, Australia

Received: 29 December 2025; Accepted: 29 December 2025; Published: 29 December 2025

Rigorous peer review is the cornerstone of high-quality academic publishing, ensuring the integrity, accuracy, and scientific value of research. Over the past two years, *Science for Energy and Environment* has greatly benefited from the dedicated efforts of our global community of reviewers. We extend our deepest gratitude to these experts who generously contributed their time and expertise. Their thoughtful evaluations underpinned our editorial decisions, while their constructive critiques were instrumental in helping authors enhance the quality and clarity of their manuscripts, thereby elevating the overall scholarly standard of the journal.

We are pleased to acknowledge the following individuals for their valuable contributions to *Science for Energy and Environment* in 2024 and 2025:

Anke Brems
